Subject : Quotation for supply of Library Software.

Dear Sir,

With reference to your letter quoted above, please find enclosed herewith a quotation for Library Software.

Computerization of College library has become need of the time to provide efficient and effective library services. Also a computerized college library helps in getting more print in the NAAC / AICTE Assessment.

For computerization of college library, I have developed a software called "Library Manager" I have developed this software on the basis of my professional experience of computerization of a large college library ( i.e. H.P.T. Arts / R.Y.K. Science College Library, Nashik. TOTAL BOOKS-1, 35,000)

"Library Manager" is user-friendly software. It enables to perform smoothly all housekeeping operations of a library. With many many type of reports generation.

At present there are 182 college libraries in Maharashtra which are using this software. There are absolutely no complaints about software from these college libraries. There has been no need for maintenance in future.

Therefore, you are requested to send-in your valuable order and join the group of our satisfactory customers.

Thanking You.

  
Yours faithfully,

Prof. Pawar S.P.  
Shri. Shair S.B.
